A BLACK REPUBLICAN

To this complexion has it come at last. . The Republican party will have it that when framers of the Declaration of Independence asserted that "all men are they he are lived in four different proposed from any consequently this party are now engaged in the laudible work of equally they meantage of the laudible work of equally displacks and whites in regard to political rights and social privileges. These Black Republicans condemn and set at nought the late decision of the Supreme Court, which declares that a negro is not recognized by the Declaration of Independence or the Constitution as a white man, and in the Federal Court of the Revolution meant to include slaves, why did hort contend for the same great and good men who framed said Declaration and fought the battless of the Revolution meant to include slaves, why did they not act as they preached, and set their colored betthern, then in hondage, free,? If they looked upon the negroes as a their equal, their precept and their example very strangely correspond. It is strange to, and their example very strangely correspond. It is strange to, and their example very strangely correspond. It is strange to, and their example very strangely correspond. It is strange to, and their example very strangely correspond. It is strange to, and their example very strangely correspond. It is strange to, that their it is now. They have always been accounted at a mode to the precept and their example very strangely correspond. It is strange to, that their territory from the blight now. They have always been accounted at a mode Democracy, or pro-Slave, and they exercise the substitution of the first the first they defined the proposed and their example very strangely correspond. It is strange to, that their territory from the blight now. They have always been accounted a proposed of the proposed and their example very strangely correspond. It is strange to, that their territory from the blight now. They have always been accounted the proposed of the proposed at the proposed of the Independence asserted that "all men are

take from the Chicago Times:

GREELY SUSTAINED BY FACTS.

It seems that during the campaign of last year, when Banks, Burlingame, Grover, Hale, General Nye, and other Abolitionists visited this region, the negro equality faith, always very strong, got intensely heated at Galesburg, and when the last Legislature closed its would be suicidal indeed if they let this the last vestige of declining hope, be swept away by the quiet admission of Kansas as a Free State.—Frakmfort Crescent.

BLACK REPUBLICAN LEGIS.

When the last Legislature closed its would be suicidal indeed if they let this the last vestige of declining hope, be swept away by the quiet admission of Kansas as a Free State.—Frakmfort Crescent.

BLACK REPUBLICAN LEGIS.

When the last Legislature closed its lad conferences with Gen. Cass, and lie property, and all Institutions of parely public school houses, and all of the public school houses, and all Institutions of parely public school houses, and all Institutions of ate for members of his family.

Gelesburg the practicle effects of the teachings of Burlingame and Banks.—
